WEDNESDAY, FEBRUARY 16. 1743.

Rome, Feb. 22.

FRANCIS Peter Mary Pieri, Cardinal Priest, by the Title of St. John ante Portam Latinam, died here on the 27th of last Month. He was 66 Years, 3 Months, and 27 Days old, and in the 9th Year of his Cardinalate, having been rais'd to the Purple by the late Pope Clement XII. He was a Neapolitan, who has been very ill of a Cold some Days, died the 30th, at the Age of 82 Years, 10 Months, and 14 Days. He was Cardinal Deacon, by the Title of St. Mary ad Martyres, and was a Creature of Pope Benedict XIII. who made him Cardinal in 18 Years ago. Cardinal Aquaviva gains by his Death a Pension of 2000 Crowns, which was charg'd on his Archbishoprick of Mont Real in Sicily, for which he was well enough known to the Publick.

The extraordinary Council which has been established in order to make a strict Enquiry into the Conduct of Count Glimes, is no longer necessary. On the contrary, the Duke de Caylus, and the Marquis de Porto Blando, who were to have been sent to Madrid, have had Notice sent them that their Journey is not necessary at Madrid. This great General, from being a rising Favourite, fell suddenly, and the World least expected it, into a sort of Disgrace, and now again he is risen from that Disgrace into a high Point of Favour as ever, and is even honoured with the Command of the Walloon Guards, which was only an Employment of the Value of 12,000 Crowns of Eight a Year, but has also a Grandeeship annexed to it.

London, Feb. 2. It is certain that Baron Neuhoft is a bold English Man of War in the Road. He has just now to purchase some very fine Cloaths, and wrote to several of his Friends; he has likewise paid the Debts of the Baron Drost his Nephew, and has sent him from Giffetto, where he served as a Lieutenant in the Troops of the Great Duke. This Baron waited on him on the 30th of last Month, and the Day after the Vessels sailed for Corsica, with Supplies of all Sorts. He has been in Commission to raise six Regiments, and will be furnished with Money to pay them. It is now being true, that he assumes the Royal Title, or that he is treated any otherwise than as a Person of Quality. It is reported, that he has undertaken to burn the Spanish Ship which lies in the Harbour of Ajaccio, or at least he will attack the Batteries raised to prevent it on shore, while the English send their Longboats into the Port. The King of the Two Sicilies has been informed, that a Report was spread of his sending a Train of heavy Artillery to the Spanish Army, he caused that very Train of Artillery, which he supposed to have sent, to be drawn thro' the Streets of Naples, and laid up in the Arsenal.

Prague, Feb. 14. Prince Lobkowitz has extended his Quarters from Waldeck to Passau, which is sufficient to show how great a Superiority the Austrians have over the French. His Highness seems to have a very quick Movement for what has pass'd in Bohemia, since he has extended no less than 1,500,000 Florins by way of Contribution from the Upper Palatinate and the Duchy of Bavarha. The French are fortifying themselves at Neustadt. The French are likewise fortifying at Neustadt, where they have wall'd up the Windows of the Monasteries, in order to make a kind of Forts of them. Yesterday they buried at Stadthoff 43 French Soldiers, and this Day 64. There are 1100 in the Hospital of St. Magnus, and as they fall sick daily more and more, a larger Hospital is to be opened [which is to consist of the Orphan-house and two Houses adjoining.

Extract of a Letter from Nekerau, Feb. 14, 1743.

Five Divisions of the French Army from Bohemia have pass'd by here in their Way to Heilbourn; most of the Soldiers were in a miserable Condition, and carried on their Faces indelible Marks of their Sufferings. Words cannot express the Raptures into which they fell at the very Sight of the Rhine. They are less concern'd for the Commodities they have left behind in Bohemia, than for the Loss of their Baggage. Their Regiments consist of 100, 150, and here and there is One of 200 Men. This Letter came inclosed in another from a French Officer, with this Observation upon it: There is in this Army, Sir, four old Corps, consisting each of four Battalions; I pray God my Correspondents saw none of them, for they must then have lost 1600 Men at least.

On Saturday last, the 12th Instant, the Court of King's Bench was mov'd in Behalf of James Annesley and Daniel Mac Kercher, Esqrs; against the Publisher of a Book intitled, Memoirs of an unfortunate young Nobleman return'd from a Thirteen Years Slavery in America, &c. which, besides many design'd Misrepresentations of Facts, and other Scurrilities contain'd therein, under the specious Colour of Friendship, is calculated, by some latent Enemy to these Gentlemen, to do them Hurt, and prepossess the Publick against them.

Early Yesterday Morning the House of Joseph Taylor, Esq; in Bridewell, was robb'd of Plate, and other valuable Effects, to upward of 500 l. Value. The Robbery, it is thought, must have been committed by one that knew the House very well.

Yesterday Gaillard, of Edmonton, Esq; was married to Miss Hughs, Sister to Mr. Hughs, an eminent Merchant in Mincing-lane; a young Lady with a plentiful Fortune.

The only short and infallible Cure
for that reigning Disease the SCURVY, and all Scorbatic Humours, tho' arrived to the highest and most inveterate Degree, or ever so many Years standing, and that without any sensible Operation or the least Purgings, which by an unaccountable Method is generally advised, although always found rather to increase than confirm the Scurvy than cure it.
By the so much famed and most pleasant Chymical DROPS:

WHICH, without the least Trouble
Confinement, or any Disorder whatever, do in one Week at the true Cause of the Scurvy, and entirely destroy it, and Scorbatic Humours and Effects. Root and Branch, so as never return again, as many Thousands of both Sexes have experienced, and as all who take them in 3 Days time will be convinced, they almost instantly alter the morbid State of the Juices, purify the Blood, sweeten all the Fluids, cleanse them from Impurities, directly clear the whole Habit from all Spots, Blisters, black and blue Marks, Itchings, foul Eruptions, or Breakings out, Weakness of the Limbs, languid Heaviness of the whole Body, wandering Pains, Weakness of the Back, and all the vast Variety of Symptoms by which the Scurvy imitates and often lies concealed under the Appearance of the Rheumatism, and many other Disorders.
And for strengthening the Stomach, immediately creating a good Appetite, causing a regular and easy Digestion of Food, and curing all windy Effects and Disorders of the first Passages (whence proceed Head-achs, Vapours and other Indispositions) no Bitterness or other Medicine upon Earth can compare with them, insomuch that besides infallibly curing the Scurvy in all its Shapes and Appearances, they also assuredly and immediately cure the Greenick in Virgins, Worms of all Kinds in young or old, and almost all other Chronic Diseases, (which are chiefly occasioned by Indigestion and stultum Crudities in the Stomach and Bowels) and consequently prevent Fevers, Agues, and other acute Illnesses.
They are wonderfully Cordial and Restorative, strengthen and enliven the whole Machine, and as soon as taken, make the Patient pleasantly Lightheaded, Brisk and Vigorous to admission, and good for all Sorts of Persons, to preserve as well as to procure sound and healthy State of Body.

But the great Reputation these famous and pleasant Chymical Drops have so universally gain'd among Persons of Eminence for their suddenly and infallibly curing the Scurvy and all Scorbatic Humours, and other Chronic Diseases, in such an easy and agreeable Manner, have occasioned many to imitate them, thus under the same, and others under other Names: Be careful therefore not to be deceived, but be sure to have the Right, which the Author's special Appointment, are to be had only at the Golden Woman's, at the Two Blue Posts, in Haymarket, in the Metropolis. at 2s. 6d. a Bottle, with Directions.

The so-much Fam'd **HYPO-DROPS.**

WHICH in a few Days infallibly cures
HYPOCHONDRIAC MELANCHOLY in Men, and the VAPOURS in Women, so as never to return again, be they ever so severe, or of many Years standing, and even after all other Remedies have prov'd ineffectual; and that by immediately striking at the very Root or true Cause, as well as removing the Effects, of those perplexing Maladies, and all their various Symptoms, by which they mimic, by Turns, almost all the Diseases poor Mortals are afflicted with, and have the Rise from a depraved Appetite, vicious Ferment in the Stomach, and Indigestion of Food, whence proceed Crudities, flatulent or windy Disorders in the first Passages, all those four Belchings, Cholick, and Uneasiness in the Bowels; who Crudities, offend the Nerves, and, by Consent of Parts, affect the Head, and produce sometimes Glodiness, Dimness of Sight, confused Thoughts, perturbation Watchings, troublesome Sleep, Frights, groundless Fears, and the deepest Melancholy with direful Views and terrible Apprehensions; at other times, Fits, Flushing Heats, Reachings, Faintness, Lowness and Sinking of Spirits, Palpitation of the Heart, Startings, Tremblings, and Twitchings in the Limbs and other Parts with many convulsive Disorders, sharp Pains, fix'd or wandering Pain and Weakness in the Back, and other, almost innumerable and grievous Symptoms, which miserably afflict vast Numbers of both Sexes.

All which Symptoms, in their sharpest Paroxysms, these so much fam'd and most pleasant Drops, (which are Chymically prepar'd from the most valuable Specifics in the Mineral, Vegetable, and Animal Kingdoms, and exalted to the highest Degree of Perfection possible) instantly quell, and at the same time annihilate their real Cause, directly bringing the Stomach into right Order, creating a good Appetite, rectifying the Digestion, occasioning laudable Chyle, and, of course, a good Blood, Plenty of calm, free, and cheerful Spirits, a regular Circulation of all the Fluids, and Strength of Nerves, so that both Cause and Effects of Melancholy and Vapours are thoroughly removed by them, almost on the Spot, as are many Thousands of both Sexes they have perfectly cured.

Whoever takes them for 3 Days only, will be sensible they are absolutely to be depended upon for an effectual and lasting Cure, and certain it is, that no Medicine upon Earth can equal them; be careful therefore to have the right Drops, which are to be had only at Mrs. Hol's, at the Cross-Key, and Star in Cornhill, below the Royal Exchange, at 2s. 6d. a Bottle with printed Directions at large.
